

Kindergarten Pick-up and Drop-off Guidelines for the 2015-2016 School Year

Our 3 Goals: • Safety • Efficiency • Courtesy

By limiting entrance only to families dropping off and picking up a Kindergarten student, it should help reach the first two goals.. And, courtesy is always the best policy... For all of us!

PLEASE USE THE DIAGRAM PROVIDED TO BETTER UNDERSTAND THE GUIDELINES BELOW

- The kindergarten teachers will accompany students until they are picked-up... Parents, please be prompt.
- Any students not picked up on time will be taken to the office to await parents' arrival.
- Only cars dropping off or picking up a Kindergartener may enter the Kindergarten circle.
- Do not leave your car unattended in the drop-off / pick-up area..
- The # (crossed) area is not for drop-off or pick-up.
- Follow the arrows and pull forward in the circle to the empty spot – keep moving
- Students are to exit and enter cars, only on the passenger side.
- Stop to pick up students in the circle only – follow cars within the traffic lines.
- Cars may leave the circle after dropping off or picking up students over broken lines only. Or, preferably, through the end of the circle leading to the street.
- Do not cross over double lines as you won't have room to turn into the center area and exit.
- Cars within the circle have the right-of-way. Please use courtesy at all times.
- Please follow the arrows to exit at the street.

THANK YOU FOR YOUR KIND CONSIDERATION OF THESE CHANGES. WE FEEL IT WILL MAKE A POSITIVE DIFFERENCE.
