

Dear Lakeview Students and Parents,

Welcome to another great year at Lakeview Elementary! Included in this letter is important information to prepare for the upcoming school year.

The school schedule for 2018-2019 will be the same as last year:

**Monday-Thursday 8:20 – 3:00**

**Friday 8:20 – 1:10**

The kindergarten schedule is listed below and also in the letter from the Kindergarten teachers.

The 2018 class lists will be posted on this web site by August 10<sup>th</sup>. You can also check Powerschool to find this information.

Back to school open house will be Tuesday, August 14<sup>th</sup> from 4:30 until 6:00. Please enter the school from the East gym doors that evening. We will have several information tables set up and hope to reduce congestion in the main hall and entry. We encourage parents to come with your children to meet the teachers, take pictures, pay lunch money, sign-up for PTA and volunteer positions and add to the enthusiasm of starting a new school year. This is a great time to get excited about the opportunities we have in front of us in the coming year!

**The first day of school for grades 1- 6 is Wednesday, August 15th.** We will dismiss early (1:10) each day through the 22nd for SEP parent conferences and assessments. Our first full day **AND** the first day for Kindergarten will be Thursday the 23<sup>rd</sup>.

As you buy new things to start the school year please remember to write names on lunch boxes and jackets. We end up with a large amount of lost and found each year that we can't return to the correct owner.

Once again, we do encourage as many students to walk/bike to school as possible. As we reduce car traffic, all the students will be safer. We encourage those waiting for students to use the parking lot next to the tennis courts or other safe waiting areas. Please avoid waiting across the street on 1390 North. We continue to be concerned about students jaywalking across 1390 during this busy time to meet parents. Safety on 1390 is a big concern especially with the increased traffic due to the new High school and the construction to our west.

Our school Community Council has been functioning well. We have room for more members. If you are interested please contact the school and sign up as a candidate. We usually meet monthly and occasionally other times as needed. Community Council elections will be September 12, 13, 14.

The After School Program will not start until October. The morning room will be available starting the first day of school. The East hall will be open starting at 7:30 and breakfast will be served beginning at 7:40. First bell will ring at 8:10 and students will be allowed in the other parts of the school at that time.

Once again, school begins for grades 1- 6 on August 15th at 8:20. The Kindergarten will do individual assessments August 15th – August 21st, and their beginning day will be Thursday, August 23rd. Check the letter from the kindergarten teachers for assessment sign up instructions.

We are not allowed to charge a fee in elementary school for the day program. Each class or grade will ask for a donation to fund activities that are not covered by the regular school budget. We encourage you to be supportive of the donation request if possible. We encourage you to be active in the school PTA. Funds raised by the PTA help support the extra activities that make school great. We are looking forward to a wonderful year.

We encourage you to use the school web page as a source of information. It is easy to access at [provo.edu](http://provo.edu), click the “schools” button and select Lakeview from the drop down menu. We plan to keep things updated and make it worth your effort to visit the

school web page. **The parent handbook is available there also.**  
**We do not print hard copies.**
