

School lunch information can be found at
<https://provo.edu/child-nutrition/>

This is the homepage for our Child Nutrition Department. Free and reduced applications are available at that site. We also have hard copies at the school office. Menus can be found at the child nutrition site. Payment for meals can be done on-line at their web site. Our school district has a “No Charge” procedure. You can pay ahead on line and avoid the long line at the back to school open house.

Please look over the school web site. Visit: www.lakeview.provo.edu

In the green column on the left the “**Parent Handbook**” is a link. The handbook contains many informational items that are good for everyone to be aware of.
