Students who are ready for 2nd grade can:

- Add and subtract (sums up to 20)
- Write using complete sentences
- Count to 120
- Understand the place value of tens and ones
- Read first grade sight words

Ways to help your child at home this summer:

- Review first grade IXL
- Write a weekly journal entry
- Read daily
 - Visit our library over the summer
 - o Starfall.com
- Practice counting
- Play Big Brainz addition and subtraction
- Continue I-Ready lessons
- Use http://www.spellingcity.com/fry-words.html to practice sight words
