

Students who are ready for 5th grade can:

- Do their multiplication times tables through twelve
- Times and divide math facts of multiplication and division
- Write a basic sentence with correct punctuation
- Can use basic keyboarding skills

Ways to help your child at home this summer:

- Continue practicing IXL math and language arts
- Read daily
- Continue practicing I-Ready math and language arts lessons
- Write a weekly journal entry
- Practice write.utahcompose.com lessons
